Jackie told the CDC folks to meet us at the facility, at 11:00, and I confirmed with [Ex. 6 Personal Privacy (PP)] that we would be there at 11:00.

Thanks! What time will we plan to arrive at the facility? It occurred to me I should include the time we estimate the tour to begin so that if John or Donna from [Ex. 6 Personal Privacy (PP)] want to attend they can plan their travel accordingly.

Subject: Tour of [Ex. 6 Personal Privacy (PP)]

Hi all,

I just sent you an invitation for a site tour of [Ex. 6 Personal Privacy (PP)] on Monday, May 16. As a brief reminder, this tour is organized as part of our efforts to implement *the Federal Research Action Plan on the Use of Recycled Tire Crumb Used on Playing Fields and Playgrounds*. This tour, similarly to the tour of [Ex. 6 Personal Privacy (PP)] is envisioned as a working meeting to help us understand the variability in the source feedstock, processing technologies and crumb rubber. However, for this tour, we do not have the strict group size limit that we had for [Ex. 6 Personal Privacy (PP)]. Our colleagues from CDC and CPSC will be joining us.

Importantly, do note that the facility is in [Ex. 6 Personal Privacy (PP)] requiring us to fill out TAs. Because of the distance, I blocked off the whole day on the invite, planning for [Ex. 6 Personal Privacy (PP)] both ways and an approximately hour and a half long tour. We are planning on carpooling with personal vehicles.

Thank you,
Ksenija
